Exam Blueprint [1]
The exam blueprint is the framework for the Certified in Care Coordination and Transition Management (CCCTM) exam. The blueprint is valuable to the test taker because it breaks down the sections of the test. Use it to help you focus your study as you prepare for the exam.

Content Areas of the CCCTM Examination

Each test question stems from the exam blueprint and is based on a Domain of Nursing Practice and associated activities as listed below.

Read More about the Domains of Nursing Practice [2] and associated activities covered on the exam.
